PRINCIPAL'S MESSAGE

The school year 1982/83 will be my fourth year at Victoria Composite High School. In that period of time we have implemented new programs which have been very successful for the students at our school. We have increased the number of opportunities available to our graduates, and added beneficial curriculum improvement for those who are presently attending.

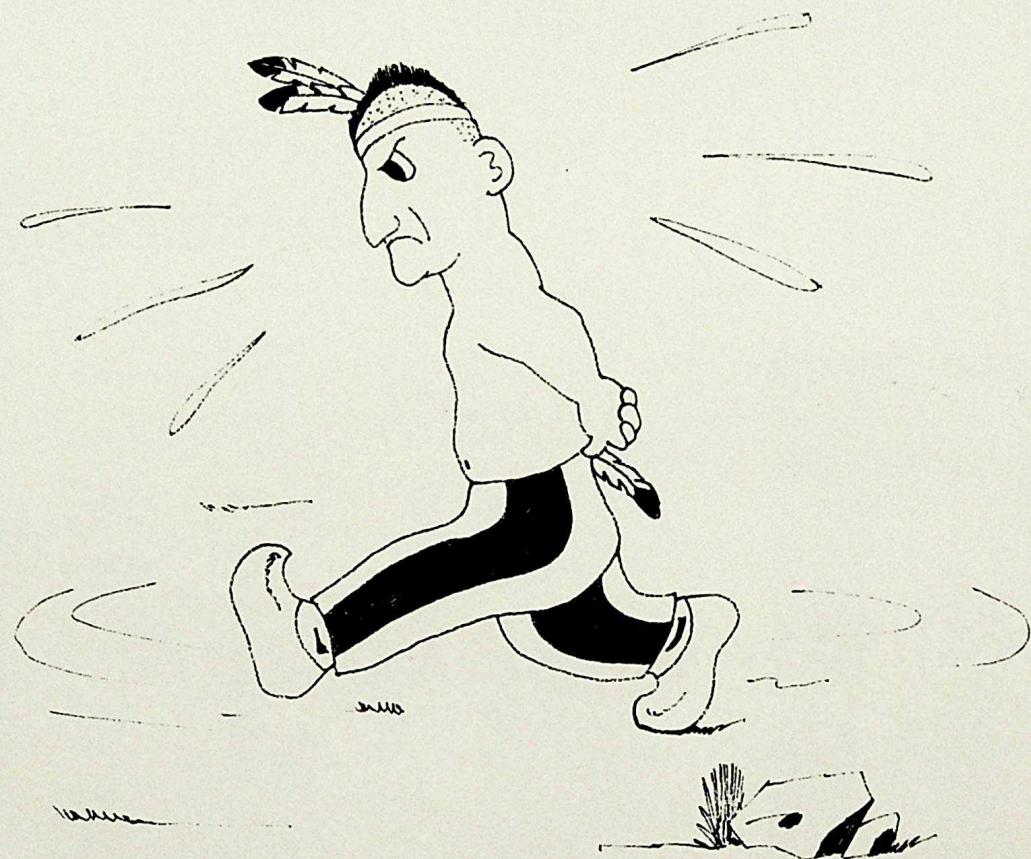

We feel obligated to provide the finest form of education possible whether it be Academic, Business, Vocational-Industrial or General. Our teaching staff is second to none and has the welfare of young people first and foremost in their minds. I feel that an excellent model is presented to our students, models to be enamored by them.

We are attempting to establish a Fine Arts centre at Victoria Composite High School and have included the Alberta Ballet School, the Walter Kaasa Academy of Speech, an excellent Performing Arts program and a fully-equipped television studio capable of producing quality programs.

In summation I am extremely pleased and very proud of our student population and our teaching and support staffs. They are the individuals who make Victoria Composite High School one of the best schools in Canada.

Robert W. Dean,
Principal.

BADMINTON

COACH: Mr. Mock

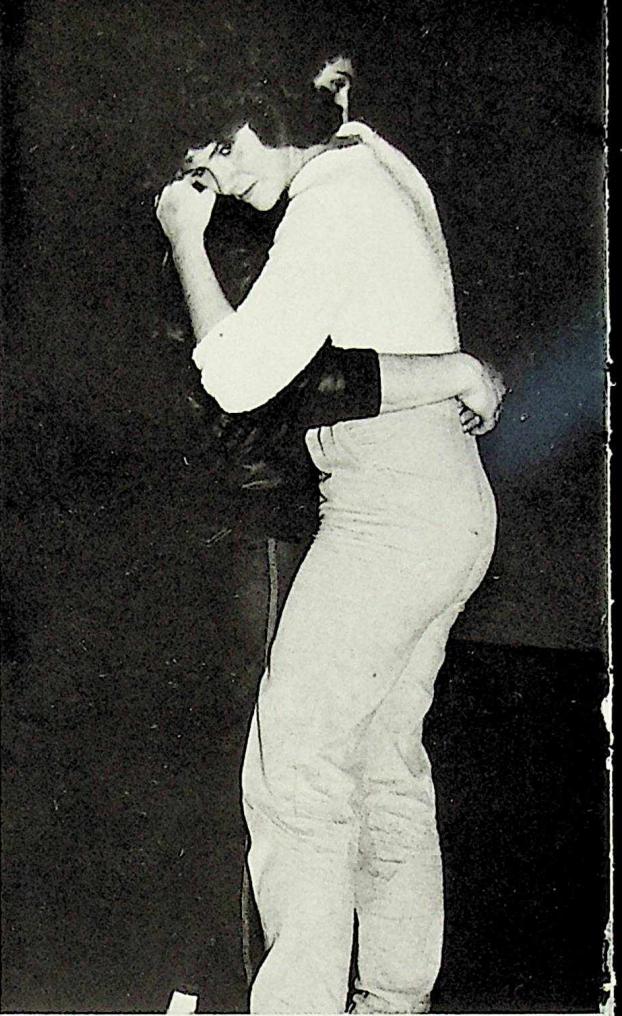

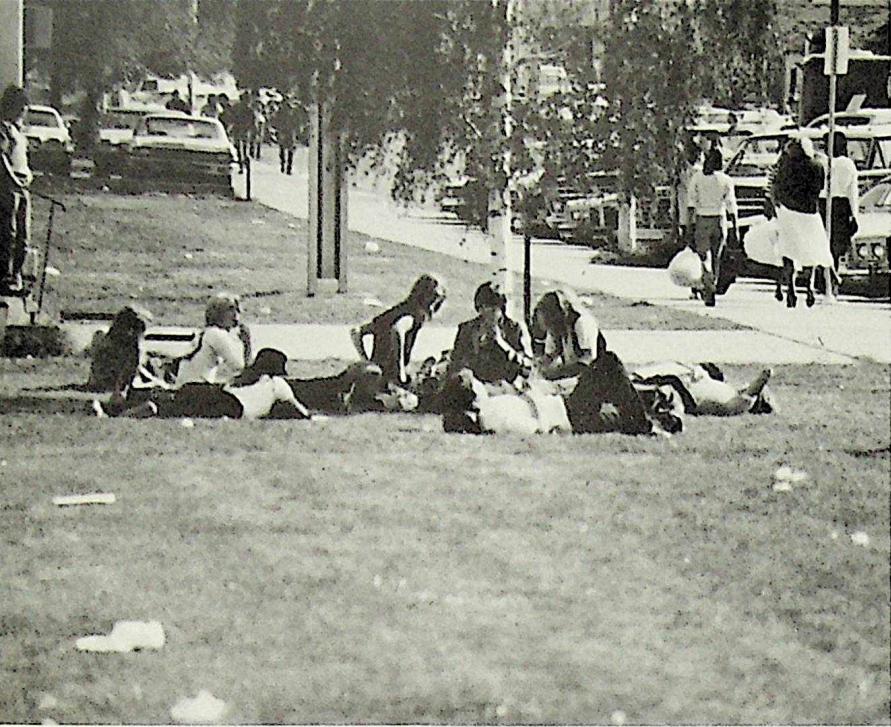

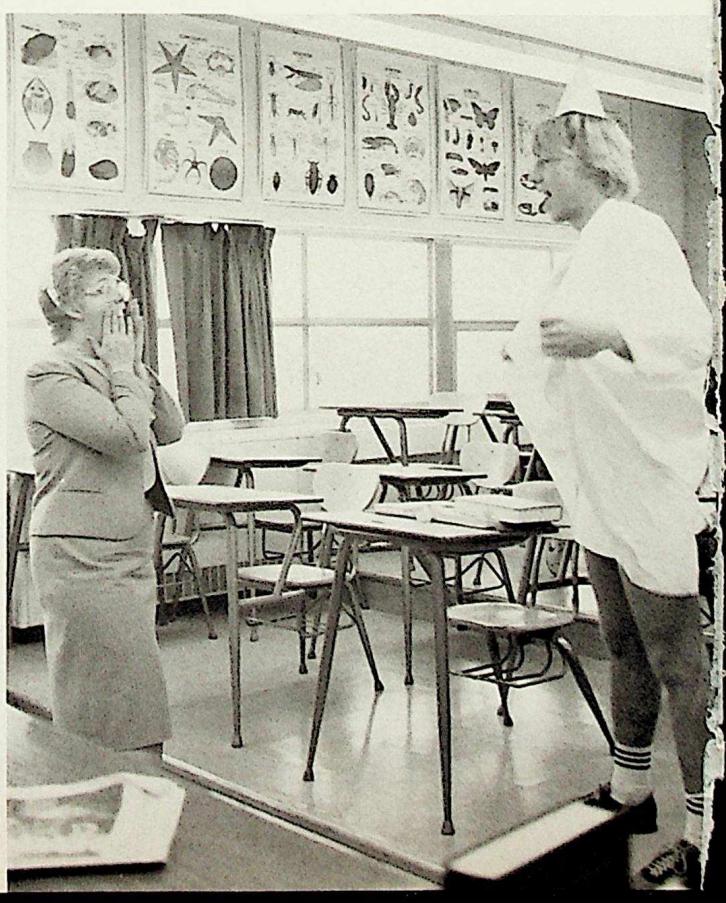

GUESS WHO? ...

"With less than three minutes to play, Edmonton was down 25-20, and Montreal had the ball deep in Edmonton territory. Those three minutes saw the most famous play in Grey Cup history. Chuck Hunsinger either tried to pass or fumbled, Jackie Parker picked up the loose ball and ran eighty-five yards for a touchdown. Score, Eskimos 25, Montreal 25. For the next awful seconds the fate of the West rested on the toe of Bob Dean -- Bob Dean, who during the year had kicked fifty consecutive converts. He kicked and scored, and Edmonton won its first Grey Cup!" (1954)

Advisor's Message

The rooms change, the faces change, the teachers change, but Vic lives on! The year after year after year Victorians (the first dates 1912) in the school collection give testimony to the greatness of Vic.

Your yearbook reflects the past year's activities. It hold memories of friends and special events, some good, some maybe not so good, but memories that are part of your life.

Your yearbook committee will share memories of many afterschool hours preparing it. They are to be highly commended for their effort and dedication.

You hold in your hands the 1982-83 Victorian which can be placed with pride upon the shelves with those from the past. The tradition of producing top quality has been upheld.

I would like to thank the hardworking committee for a job well done. It has been my pleasure to work with them.

Mrs. J. Morrison
Yearbook Advisor

do you know ... the history behind our school awards?

... the 'C.O. Hicks', of the C.O. Hicks Award (boys' citizenship), Vic's highest award for boys was principal of Vic for thirty years.

... the Eva O. Howard Award (drama) was established to honour Miss Howard, the 1940 award winner for Canadian drama, for her devotion and effort in the field.

... The Percy Page Award (girls' citizenship), Vic's highest award for girls - honors the same Percy Page who coached the Commercial Grads girls basketball team to glory. He later became Lieutenant-Governor of Alberta.

... the Ada Lent Award for the top grade ten student. Miss Lent's teaching days at Vic stretched back to the old brick Vic that was demolished in 1946. She taught home economics and physical education until her retirement in the 1960's.

... the Harry Ross Award for the top grade eleven student. My Ross taught math at Vic for fifteen years and was department head for five of those.

... William Hawrelak Award for the top grade twelve student. Mr. Hawrelak, who graduated from Vic in 1931, was a prominent city business man and mayor of Edmonton for over eight years.

... the Hans Rathmann Memorial Award for the grade twelve commercial food student deemed most deserving. Mr. Rathmann was a chef de cuisine at Vic from 1965 to 1981.

... the Barry Coates Award for the outstanding male athlete. Barry was an outstanding athlete himself at Vic until his untimely death in the early 60's.

... Ross Bishop Memorial Scholarship for the student obtaining the highest mark in Social Studies 30. Mr. Bishop taught at Vic during the fifties and moved on to the principalship at Balwin Junior High.

did you know ...

... that the first Victoria High School was built in 1910? A regular 'little red brick schoolhouse' with eleven classrooms and one lab. It was the only high school in Edmonton until 1912. Vic overflowed in 1914 so the commercial section was moved to McDougall High where it remained until returning to Vic in 1951.

In 1946 the new Victoria Composite High (that section that faces 101 St. and the shop wing) was started and opened in 1949-51. It was the first school to have a swimming pool and cafeteria.

In 1960 the old brick Vic came down to make way for the new Victoria Vocational High School (the west section). These two schools operated independently until 1965 when they amalgamated to form the present Victoria Composite High School.

did you know ...

... that from the halls you now tread have emerged many men and women who are famous locally, nationally and internationally. The list includes Rhode Scholars, actors, actresses, fliers, sports figures, entertainers, business men, politicians and educators. The list is far too long for all to be mentioned but following are some that were or are big news.

did you know ...

... that back in 1918, in the spring of the year that saw the end of the first world war, the famous World War I German flying ace Red Baron Manfred von Richthofen was shot down ... to his death. He was shot down by Captain Roy Brown, a Victoria graduate, as he was zeroing in on a British plane with a crippled engine piloted by another Vic graduate, Wilf 'Wop' May. The Red Baron has been immortalized in song and verse but especially in the comic strip "Peanuts" in which Snoopy becomes Roy Brown. A song written about Snoopy's endeavors, was popular in the 1960's.

... Wop May became a bush pilot of note and helped open up the north. He received the McKee trophy in 1929 in recognition of his contribution to flying in Western Canada. In 1932 he spotted the 'mad trapper', Albert Johnson, most wanted on the R.C.M.P. list, from the air which led to his capture. In 1935 he was made a member of the Order of the British Empire.

... another Vic graduate flyboy to reach international fame was Grant McConachie. He started his flying career in 1929 with the R.C.A.F. He formed a number of airlines, Western Canadian Airlines and Yukon Southern to name two. He became president of Canadian Pacific Airlines where he remained until his death in 1963. His biography makes good reading.

... and of course we've all heard of Wardair. Well, Max Ward attended Vic in the late 1940's. His company's chartered flights now travel the world.

did you know ...

... during the 1920's to 1940 the 'Commercial Grads' girls' basketball team won fame throughout the western world. In 1922 they won their first Canadian title and never lost a Canadian series after. They won the international against Cleveland in 1923 and never lost it in seventeen years of competition. They won world titles at four exhibition games held in conjunction with the Olympics in Paris, Amsterdam, Los Angeles and Berlin. Women's basketball was not then an Olympic event. They played 522 official games, losing only twenty. They had two consecutive winning streaks of 147 and 78 games and played several seasons without a loss. They played both mens and womens teams using both sets of rules. The 'Commercial Grads' disbanded in 1940 when the Government took over the arena for the Commonwealth air training program.

did you know ... on the screens of television and movies have appeared the faces of Vic grads?

... 1940's student, Olga Laruska, who adopted the stage name Dianne Foster, rose from modelling in Toronto to acting on the stage in London, England, to the movies of Hollywood, acting with such noteables as Charlton Heston, Edward G. Robinson, Glenn Ford and Mickey Rooney, Marriage and children slowed her career.

... Leslie Neilsen, a Vic graduate of 1942 is still prominent in the movies.

... Arthur Hiller, another 40's Vic student became famous as a movie director in Hollywood.

... and closer to home, Joe Schoctor, the man behind the Citadel Theatre, attended Vic in the early 40's.

... William Hawrelak, a Vic graduate in 1931, at the age of 15, attended Queens University in the law faculty, took up full-time farming and was vice-president of the Alberta Farmers' Union at the age of 21. He and his family moved to Edmonton in 1945 and in 1949 he was elected alderman, in 1951 mayor and held the position for eight consecutive years. He was elected mayor again in 1964 and again in 1974. He died while in office November 19, 1975.

... Mel Hurtig, another Vic graduate of the early fifties, is a well known Canadian book publisher and has twice been named Canadian Book Publisher of the year. He has many laurels to his credit.

... and more recently, just from Vic's performing art department:

... Evelyn Quaife, a Vic student of the 1960's has performed on stage in "Hair" and many operas in New York and throughout the world.

... Earl Klein (Vic 73-75) - an actor. Last appeared in the film, "First Blood", with Sylvester Stallone.

... Lloyd Fitzsimmons (Vic 73-74) - is the production manager of the Belfry Theatre, Victoria.

... Cheryl Clelland (Vic - early '70's) - stage manager, Citadel Theatre.

... Brad Frazer (Vic 74-76) - playwright-in-residence, Theatre Pas Maure, Toronto.

... Michael Charrois (Vic 80-81) - playwright-in-residence, Theatre Workshop, Toronto.

... Prudence Olynik (Vic 74-75) - make-up and costume design, B.C. T.V. and make-up for Edmonton Opera.

... Scott Harris (Vic early 70's) - a dancer with Alberta Ballet.

... John Tralaven (Vic early 70's) - actor, Red Deer.

... Don Snider (Vic 73-74) - Technical Director, Victoria Composite.

... Susan Woywitka (Vic - early sixties) - local T.V. commercials.

... Richard Gishler (Vic 64-66) - professional actor.

... George Blonaheim (early 70's) - musician for Cheech & Chong - last movie.

... Dianne Kitchon Unger and Jeff Unger (Vic - mid 70's) - stage managers, choreographer, musicians about town.

We could write a book about Vic personalities who have made it in the world. Some day we may. Meanwhile, we leave you to follow in the footsteps of those above ... go for it!

THE STUDENTS'ASSISTANCE TEAM

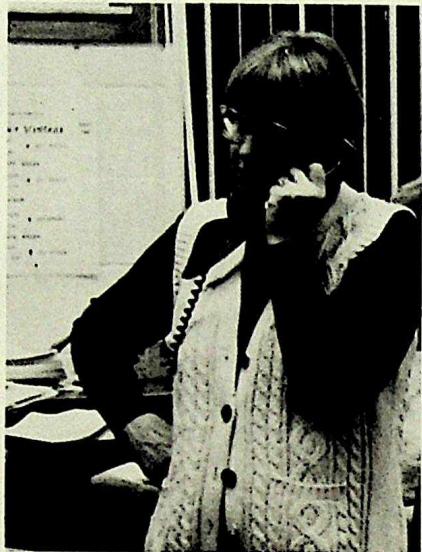

The students' on this special team, are willing to help other students in our school, experiencing some frustration, concern, worry or problem. These students are not therapists or professional counsellors. They are students who have been trained to help other students think through and reflect on problems they might be experiencing.

This group has an office in the Counselling area and appointments are made with the Secretary of the Counselling Dept., or with the switchboard operator. Victoria Composite High School is the only high school in Edmonton, who has an active Students' Assistance Team in operation.

JUNIOR CHEERLEADERS

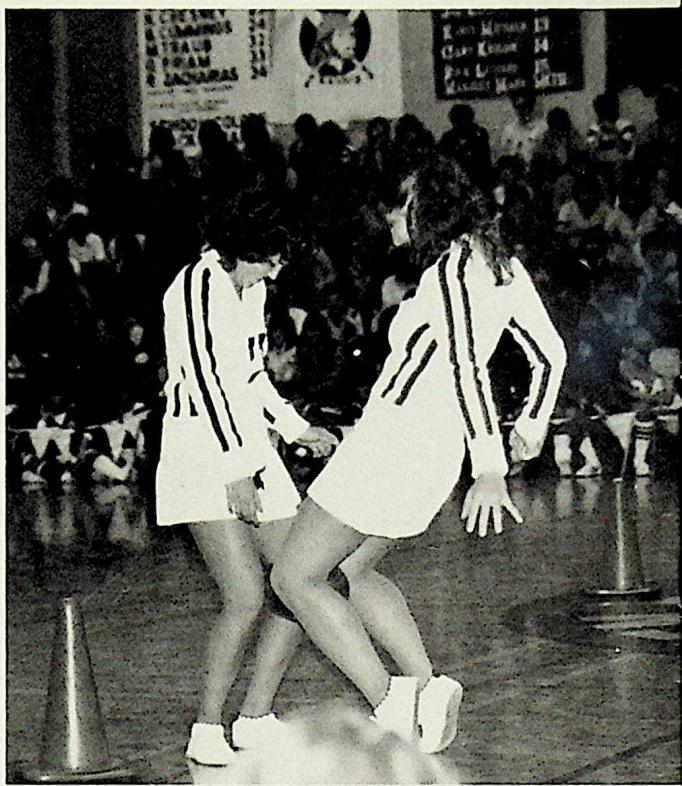

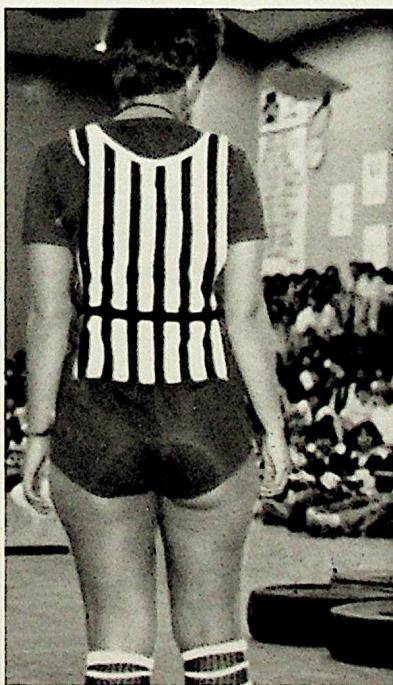

SENIOR CHEERLEADERS

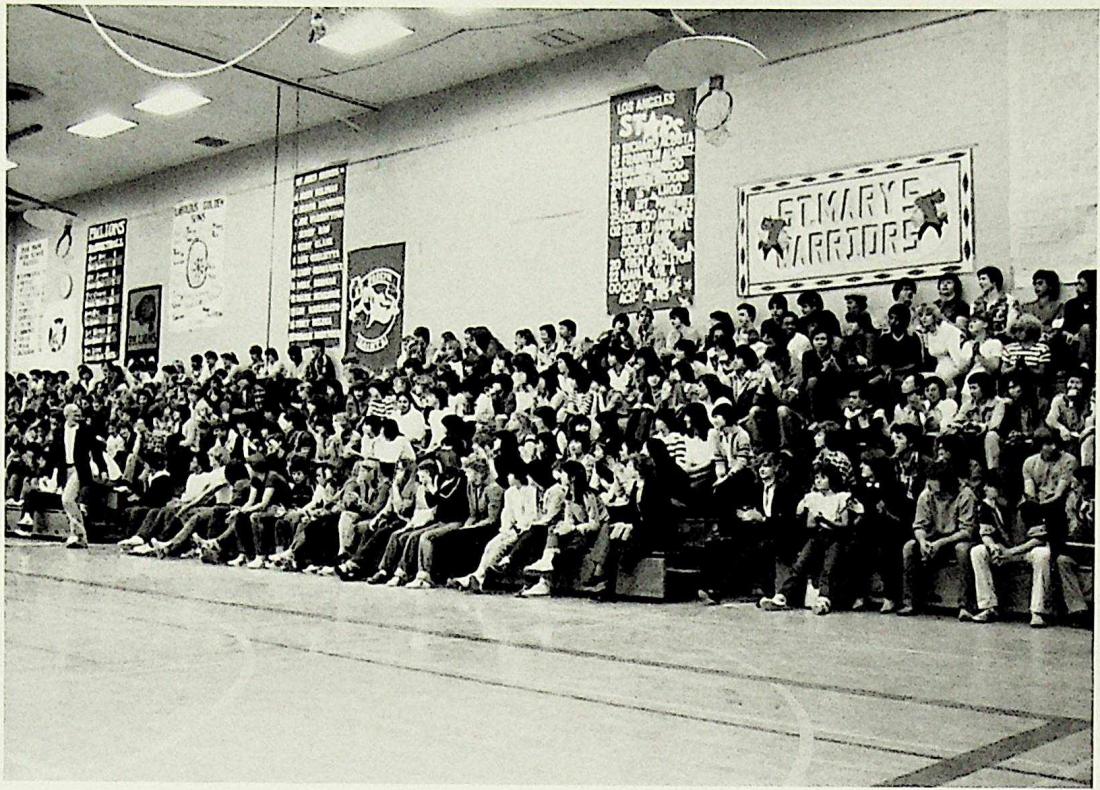

The Vic Senior Cheerleaders had a very successful year. After last year's victory at the VRIBT, they continued their success by capturing 1st Place in the World Cheerleading Playdowns - Canada Division. Then they won 1st Place in the CAPHER city championships. In February they once again won the VRIBT Cheerleading contest. They represented Canada in the World Cheerleading Championships in Chicago as well as the Drill and Dance Championships in Honolulu, Hawaii. They performed on TV numerous times and cheered for every football and basketball game. These spirited-filled and dedicated young ladies love cheerleading and the results show!!
